BAY ST. LOUIS, MISS., SEPTEMBER 5, 1952

## Observations...

By UDELL

Parents of physically handicapped children of all ages who would like to have them attend school, are urged to contact Professor S. J. Ingram at Bay High or by calling 57, immediately. Under a special act of the Legislature, classes will be started if as many as five children are enrolled. In the next week or so, a special representative will be in Bay St. Louis for the purpose of organizing these special classes for children who are spastics, have defective speech or any other handicap. We cannot urge the parents of these children enough to contact Professor Ingram. The benefits that your children will derive from these classes will be unlimited.

The State of Mississippi will, in the next year become completely debt-free insofar as full faith and credit bonded indebtedness is concerned, and the commonwealth has more than enough money set aside as a sinking fund to take care of the bill amounting to \$4,761,000. The State Highway Department has an indebtedness of \$80,699,000 which is being retired at the rate of \$4,000,000 annually. This indebtedness will be fully retired in 1971. "This shows Mississippi to be in sound financial condition," Joe B. Keith, budget specialist with the State Tax Commission, said.

There were very few traffic fatalities on the Coast over the Labor Day weekend. As a matter of fact, Mississippi is one of the top states showing a reduction in traffic deaths for six months of 1952. Mississippi not only leads the South, but our record is only exceeded by five states. We only had two injured in Hancock County Monday. One 12 year old boy was hurt when he fell from a truck, and another man was injured when he fell from a tree.

We wish to welcome Miss Sarah Weaver, new Home Demonstration Agent, to Hancock County. Miss Weaver is replacing Miss Madge Allred who resigned last month. Miss Weaver, a resident of Quitman Miss., assumed her duties as Home Agent August 28. She received a B. S. degree in Home Economics from Mississippi Southern College in August 1952. Before entering college she was employed as a secretary in Quitman for a number of years.

This sudden chill in the air feels like fall is on its way. But regardless of the season, it is a welcomed relief from the blistering heat we have had all summer. Regular football weather. The football season in Bay St. Louis opens next week when St. Stanislaus meets McGill, Friday, September 12, at the stadium. Bay High will open its season Friday, September 26 when they journey to meet the Long Beach squad. Their first home game will be played against Pass Christian, October 3.

See where they are getting ready to hoist the pieces of the seawall near the bridge. This work was delayed when the concrete forms had to dry thoroughly, and again by the recent weather threats. It should not take too long now before it is completed.

The St. Joseph Academy Mothers' Club will hold its first meeting of the new year Tuesday September 9, in the den, at 315 p. m.

## L. J. Smith, 54, Dies Wednesday

Lester Joseph (Monk) Smith, 54, died at King's Daughters hospital, Thursday, September 4, at 12:15 a. m.

Mr. Smith who was 54 years of age, was the son of the late Eva Gautreaux and Claude M. Smith. A retired musician, he moved to Bay St. Louis, where he resided on Washington Road with Mrs. Smith, four years ago.

Private funeral services were held from the Fahey Funeral home at 4:30 p. m. Thursday with religious services conducted by Rev. Charles R. Johnson. Interment was in Cedar Rest cemetery. He is survived by his widow, the former Maybelle Vaughn, and two sisters, Mrs. Gladys Fenno and Mrs. C. J. Thibodeaux of New Orleans.

Miss Patsy Gex and Gerald Gex motored to New Orleans Tuesday.

### To Show Orchid Film At Meeting Of Garden Club

Bay-Waveland Garden Club will resume its activities for the 1952-53 year at the first meeting since June.

The group will meet Thursday, September 11, at the Bay St. Louis Youth Center at 3:00 p. m. A guest speaker will show a \$25,000 film on how to grow orchids which was made in Hawaii where some of the most famous orchids originate. This film was made possible through the efforts of Mrs. Walter Hava, newly-elected president who will conduct her first meeting Thursday.

All members are urged to attend and bring their guests to see this unusual and instructive film.

Other officers elected were Cornelius J. Ladner, first vice-president; Emile G. Piazza, second vice-president; Warren Carver, third vice-president; Alvin Glen, secretary; Earl Ramond, treasurer; George P. Horton, toll-taker; C. H. Parke, Hon. Tamer; Raymond E. Kidd and J. Cyril Glover, members of the board of directors for one year; and Theodore Thomas and Guy Eufkin, Jr., board members for two years.

Sixteen new lions inaugurated the Bay Club, and the charter membership has been closed at 30 members.

Meetings will be held at Hotel Reed every second and fourth Monday at noon; the first meeting is scheduled for September 8.

## PASS CHRISTIAN NEWS

### Public Schools Open; Add Teachers

Promptly at nine o'clock Tuesday, September 9, the auditorium of the Pass Christian Public High School and Elementary School was open to welcome students and registration for the 1952-53 year began.

Norman Hall, superintendent of schools gave a brief and informal welcome. Also on the platform were the Reverend Willis Gaylord Clark of Trinity Episcopal church and Rev. W. S. Allen of the First Baptist church, both of whom participated in the program.

Members of the faculty were introduced and new teachers welcomed. New faculty members this year are Mrs. Ella Tuttle, third grade; Mrs. Norman Hall, who will teach Spanish and English; Jack Holloway, coach and athletic director; Mrs. T. J. Broadus, room teacher for the seventh grade. Mrs. Broadus taught for the past three years in Bay High and prior to that was in the Pass Christian school. Miss Lilly McGehee, of Hopkinsville, Kentucky, is full-time librarian.

**CHANGE IN HOURS**  
Mr. Hall announced that school days begin this year at 8:45 a. m. High School classes dismiss at 3:30; 5th, 6th and 6th grades dismiss at 3:00; 1st and 2nd grades dismiss at 2:15.

**SUPERINTENDENT HALL'S ANNOUNCEMENTS**  
Other announcements made by Supt. Hall included information about the school cafeteria. School lunches have not increased and the price is still twenty cents per lunch, including milk. Cafeteria service will be conducted by graduates and there will be a rotation in the order of grades served in the high school department.

The Parent-Teachers Association will have its first regular meeting in the High School Auditorium on Sept. 18 at 8:00 p. m. Plans are being made to have a nursery with competent supervision open to mothers who wish to leave their children while attending P-T. A. meetings. Mr. Hall stressed the value of a well-organized and well-patronized P-T. A. and urged patrons of the school to attend and cooperate. Mrs. William Allen, who heads the P.T. A. this year says she has excellent committee chairman.

Last year the school had some extra annuals which were not sold. Sale price on these books is \$3.75 per copy and they may be obtained from the school office. First football game of the year is scheduled for September 12. Little enthusiasm for practice has been displayed. Mr. Hall said approximately ten boys had regularly attended practice; now, with official opening of school, it is expected that the team will get down to serious work.

Keble college has offered to lend the school some bleachers. How many persons these bleachers will accommodate was not immediately determined.

Lack of funds make band classes or school furnished music classes impossible this year. However, Mr. Hall said he hoped to work out arrangements whereby a private music teacher might use the school auditorium for the accommodation of pupils who wish to take piano and singing lessons.

**BOOK SHORTAGE**  
A current threat to a successful beginning of the 1952-53 school year is the lack of text books. According to Mr. Hall, there has been no indication as to when books, ordered in May can be expected. The meager sum of \$971.77 has been allocated for school books in the Pass. Mississippi Funds for school books for the entire county amount to only \$8000 (after debts for books running over budget allowance last year are paid). The text book situation is bad in this county and Mr. Hall indicated that in order to get needed books it might become necessary to order direct from publishers.

**LOKER-CAPEHART KINDERGARTEN OPENS**  
On September 2 registration in the Loker-Capehart nursery

school and kindergarten began. This privately operated kindergarten is housed just back of the Pass Christian Public School in the small house that was once known as the "Band Hut."

Children of nursery school and kindergarten age are accepted at the fee of \$10.00 per month, with an added charge of \$5.00 per month for pick up and delivery service for students.

Kindergarten hours are from 8 until 12 each morning Monday through Friday.  
Last year the kindergarten, operated by Mrs. Sheila Loker and Mrs. L. S. Capehart, received an excellent rating.

Mr. and Mrs. George C. Gundlach of Chateau Shorman, Pass Christian, returned last Monday from a cruise to Cuba and Honduras, where they visited many tropical gardens. Accompanying them were their guests, Misses Joan Davis and Janet Fleming of Chicago.

Donald DeMetz, a patient in Veterans Hospital, Biloxi, spent the Labor Day weekend in his home before returning to the hospital for further treatments.

Mr. and Mrs. George Gundlach entertained a large group from the U. S. Corp. of Engineers, over Labor Day vacation. Included in the group were Major and Mrs. R. H. Collins, Mr. and Mrs. M. Zimmerman, Corn and Mrs. Charles Phillips, Mr. and Mrs. Lewis Grandy, Dr. and Mrs. John Beck, all of Mobile, Alabama, and Mr. and Mrs. Robert Templeman of New Orleans.

Miss Helen Lee, daughter of Mrs. Phillip F. Lee, who graduated from Gulf Park High School last year will be in New Orleans this fall where she will specialize in dancing at the Arthur Murray School of dancing. Phillip Lee Jr., has been enrolled in the Kern Private School of Pass Christian as a day student.

Mrs. Lulu Williams, a recent guest in the home of the E. A. Allens, left Wednesday for a brief stay in New Orleans enroute to her home in Houston.

Mr. and Mrs. E. A. Bobin of New Orleans spent the weekend in their summer home at Pass Christian.

## INSTALL FANS IN PASS SCHOOL

Those working toward the goal of obtaining a window fan for each of the six elementary grades at the Pass Christian Public School announced that four window fans have been obtained and pledged are coming in toward the purchase of two additional and much needed fans.

The four fans now available will be placed in the rooms located on the West side of the building where the relentless heat of the afternoon sun makes the rooms almost unbearably hot. These fans are being supplied to grades one, two, five and six. It is hoped that sufficient funds will come through within the next few days to complete the project of cooling the air in all rooms in the elementary school side.

**LIONS CLUB GIVES FAN**  
The Pass Christian Lions Club which has long faithfully served the community of Pass Christian in sundry ways, contributed a check for the purchase of one

of these fans.

### GRADY G. MANGUM GIVES SCHOOL FAN

Grady G. Mangum of 442 East Second street generously contributed a window fan to the elementary Public School.

**INDIVIDUALS HELP**  
Mrs. Audley Taylor, chairman of the committee for window fans, recently opened an account at the bank for the convenience of those who wish to contribute to the fund. Anyone wishing to do so may deposit in this account and the funds will be applied toward the purchase of the fans.

Last week the gift of one fan, made by Jimmie Nicaise, was acknowledged through this column. Recent contributions include:

Miss Naomi Saucier \$5.00

Mrs. Ruth C. Taylor 3.00

Mrs. Philip E. Lee 3.00

Martin Hardware Co. 2.00

Mrs. Sam Jeffcoat 5.00

Mrs. Charles Atchly 5.00

Mrs. R. O. Heistand 2.50

Mrs. Randall Jones, Jr. 1.00

Mrs. Marshall 2.00

Previously acknowledged contributions include:

E. A. Allen 5.00

Joe Elbert Allen 1.00

Mrs. S. L. Taylor 2.00

Mrs. Audley Taylor 3.00

Mrs. Norma DeMetz 3.00

Each contribution is gratefully received and Mrs. Taylor and her workers extend heartfelt thanks to all those who have responded to the Window Fan Fund.

Mrs. Richard O. Heistand with her son, Michael, returned recently from a summer spent in Pennsylvania.

Mrs. J. F. Payne with her daughter, Mrs. Maynard Hartley, and her grandmother, Nancy, was a guest in the Roosevelt hotel several days last week.

J. Russell Gould is receiving well-earned congratulations for his work in getting the Long Beach School bond issue carried

## City Echoes

—Miss Mary Weingerter is a patient in Charity hospital. She served as head nurse on one of the floors in this hospital for many years.

—Edmond Brianac Jr., returned Wednesday from Mexico City.

It has been found that large, vertical buttonholes bound in contrasting colors are easiest for a child to manage, according to the Extension clothing specialist.

In selecting and preparing vegetables for freezing, Extension foods and nutrition specialists say select only fresh, tender, young, immature products just at the right stage for good eating.

Robert Mitchum of movie fame, was at Bingham Lodge Pass Christian, over the Labor Day weekend. Hedda Hopper's column recently mentioned him as a golf coast visitor.

RECIPE OF THE WEEK  
By Mary Lee Taylor

**Three-Way Cookies**  
Broadcast: September 6, 1952

2 cups sifted, all-purpose flour  
3 teaspoons baking powder  
1/2 teaspoon salt  
6 tablespoons soft shortening

1 teaspoon vanilla  
1 cup sugar  
2 eggs  
1/2 cup Pd Milk  
1 teaspoon cinnamon  
2 tablespoons sugar

Sift flour, baking powder and salt onto piece of paper. Put shortening and vanilla into bowl. Mix in 1 cup sugar gradually. Add eggs and beat hard. Stir in about 1/2 of flour mixture. Stir in about 1/2 of rest of flour mixture. Then stir in 1/2 tablesp. milk. Add the flour mixture that is left and mix well. Divide batter in 3 portions. Drop one portion by teaspoons onto greased cookie pan. Bake in moderate oven (375°) 12 minutes, or until brown. Mix cinnamon into second portion of batter and bake as directed above. Mix cocoa, 2 tablesp. sugar, and 1 tablesp. milk into rest of batter, then bake as directed above. Makes 4 dozen.

But Do You Really

# UNDERSTAND the Bible?

Many people maintain that the Bible is so simple and clear that anyone can understand it.

Yet today the Christian world is divided into conflicting opinions as to what the Bible means. Simple and equally learned Bible scholars take different meanings from the same words, and there are many Christian sects which agree on basic Bible questions.

The average Christian who wants to understand the Bible finds all this confusing... wonder which interpretation to accept, or to believe. The result is that the Bible often gathers dust on the family bookshelf, when it should be reaching joy to the hearts of men.

Catholics, of course, join with Christians everywhere in recognizing the complete Bible as the Inspired Word of God. It could be otherwise, for it was the Catholic Church which assembled the books of the Bible nearly 1600 years ago, and which preserved its sacred message on parchment a thousand years before the invention of the printing press.

It is unfortunate, however, that one of the most devoted Bible students do not understand it. As a matter of fact, Holy Scripture seldom correctly understood these we have certain preliminary knowledge concerning God's revealed truth.

In writing the New Testament, authors took into account that knowledge of God's revelation already prevailed. The books they were intended to instruct confirm teachings already known—not to announce something entirely unknown. When we have this preliminary knowledge, the Bible is neither contradictory nor confusing.

The books of the Bible were given by God through writers who addressed themselves to people who already possessed faith in God and to whom the divinely revealed message was, to some extent, already known. These books seek to explain and confirm this message and to induce readers to conform their lives to it. They were certainly not intended to teach all of God's revealed truth to those who were learning it for the first time.

The Bible, properly understood, can exert a tremendous power for good in your personal and family life. But to understand it, you should know something about those who wrote the Bible... the way they thought, spoke and the characteristics of the language they used. By whom was the Bible translated... how can we know these translations are correct? What are the common sense rules to be followed in understanding the Bible? These and other important questions concerning the intelligent use of the Bible are answered in a pamphlet which we will send you free on request. Write TODAY for your free copy. ## August Gas Taxes

Net \$1,296,240.65

For Highway Dept.

Jackson (Special)—Funds made available to the Highway Department from gasoline collections in August amounted to \$1,296,240.65.

A portion of the state gasoline tax is the sole support of Mississippi's current pay-as-you-go road program.

Total income collected by the Motor Vehicle Comptroller, ran to \$3,089,979.58 last month. Collections for August last year amounted to \$2,893,827.75.

In addition to support funds for the Highway Department, the gasoline tax netted \$1,080,940.43 to the counties. The balance of the tax goes to refunds for non-highway users, collection expenses, bonds, and the State Aeronautics Commission.

MISSISSIPPI LEADS SOUTH IN REDUCTION OF TRAFFIC DEATHS

Complete reports received from the National Safety Council today by the Mississippi Highway Safety Patrol show Mississippi with a 14% reduction in traffic deaths for 6 months of 1952. Virginia shows a reduction of 5%, while all other Southern states show increases. The National average for total is also plus 3%. Seventeen

of the 48 states show a reduction of from 4% to 24%, while all others show an increase.

Mississippi not only leads the South, but our record is only exceeded by 5 states, which are:

Minnesota 24%; New Hampshire 23%; Iowa 20%; Idaho 20%; Connecticut 17%; Mississippi 14%.

Col. T. B. Birdsong, in commenting on how this record had been achieved, stated, "This has not been accomplished by any 'Flash in the Pan' Drives and hysterical methods of enforcement but, on the other hand, has come about because of continued and concerted effort for several years of all law enforcement agencies, both city, county and Highway Patrol, working together for the same cause; also all educational agencies have contributed considerably, and then all Public Information media, such as the Press, Radio, Motion Picture and Outdoor Advertising Agencies have all done much, along with all civic organizations to bring about this reduction. Then each driver and pedestrian have contributed by driving and walking in a safer manner."

Birdsong stated, in closing, "Despite our good record, we are still having too many persons killed on our streets and highways. With someone being killed every 14 hours of each day and a serious injury every 15 minutes, then we must continue to improve our record. We can and shall do a better job with the continued effort and cooperation of all concerned."

Gas dried them...guess the cost

Natural gas performs so faithfully and so well...we think you'll agree it's worth much more than it costs today. Consider its use in a clothes dryer, for example — a full washer-load of laundry tumbled fluffy dry, in less than an hour, and in any kind of weather, for less than a penny!

And clothes drying is just one of many big jobs natural gas does in the home — cooking, heating, water heating, refrigeration, air conditioning.

When you stop to think that here in the Gulf South natural gas costs just about the same as it did 20 or 30 years ago, we think you, too, will say it's worth much more than it costs today!
